

Secrets Only Pilots Know about Airports

“Secrets Only Pilot’s Know About Airports” -- Do you know how to visually identify runway length, width and what approaches are available right from your cockpit window...? This briefing offers pilot’s of any skill level unique perspectives about the little known world of airport facilities such as NAVAIDs, pavement markings as well as airfield signing, lighting, communication and much, much more. Learn secrets about airports even experienced pilots don’t know; and become a safer and more informed pilot!

Directions: Maui Aviators T-Hanagar, Kahului Airport

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA’s safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
